Holiday Light Rides
With The
California Automobile Museum

Release of Liability

Any participation in this event by you or anyone in your party is voluntary. **Please note: as these are classic cars, we are unable to accommodate car seats. Sorry for the inconvenience.**

By purchasing a ticket for the Holiday Light Rides, you and your party are releasing the California Vehicle Foundation (dba California Automobile Museum) and its employees, volunteers, and other agents from any and all claims, lawsuits, damages, and liability of every kind and nature, whether known or unknown, that may arise or in any way related to my participation in the Holiday Light Rides events, provided that this waiver does not apply to acts of gross negligence or intentional misconduct.

You and all members of your party acknowledge and understand that participation in Holiday Light Rides, including riding as a passenger in a classic vehicle, involves inherent risks and may result in injury. You understand that the vehicles used are historic automobiles and may not meet modern vehicle safety standards. These vehicles may lack safety features commonly found in modern cars, including seatbelts, airbags, and other protective equipment.

For safety reasons, all passengers must be at least **8 years of age, 40 lbs, & 4 feet 9 inches tall**. Unfortunately, we are unable to accommodate car seats or booster seats. By signing this waiver, the person who booked this experience vouches that all riders fit this criteria.

Furthermore, you and your party hereby consent to and authorize the use and reproduction by the California Automobile Museum of any and all photographs that have been taken of you during the course of this event for any purpose, without compensation of any kind. The Museum reserves the right to use these photographs in any of its print or electronic communications.
