

## EXHIBITOR IN-LOAN AGREEMENT

Exhibitor    Temporary   \_\_\_ Car Club Exhibitor   \_\_\_ Special Exhibitor

I, \_\_\_\_\_, the owner of the vehicle described below, agree to exhibit it in the California Automobile Museum under the following terms and conditions:

1. This agreement is for \_\_\_\_\_ months beginning \_\_\_\_\_.
2. The Museum must pre-approve all exhibits and the owner must pay annual sponsorship fees of \$\_\_\_\_\_ per year unless an outside sponsor is paying the fees. If not exhibited for a full year a prorated sponsorship fee of \$\_\_\_\_\_ will substitute the annual sponsorship fee.
3. The owner may periodically remove and return the vehicle for personal use or outside exhibit **with one week prior notice to Museum management.**
4. The vehicle may be moved within the Museum for exhibit purposes.
5. The vehicle will not be removed from the Museum premises without the approval of the owner.
6. The vehicle may be used for media requests and/or promotional materials.
7. The vehicle should have only a minimum amount of fuel and the battery must be disconnected while on exhibit.
8. All personal property should be removed and a set of duplicate keys must be left with Museum Staff. Owner should retain original keys.
9. The Museum does not insure exhibitor vehicles. The owner is responsible to provide insurance coverage for the value of the vehicle in the event of a natural disaster or accident. The exhibitor agrees to not hold the Museum responsible for any kind of loss while vehicle is in Museum's possession.
10. The Museum will exercise the same care and protection of exhibitor vehicles as it does for its own but will not perform any mechanical maintenance or upkeep.
11. This agreement may be terminated for any reason at any time by either party. If terminated by CAM, any prorated fees will be refunded. Fees will not be returned if owner terminates agreement.
12. Vehicles not removed at the end of the above term may be charged a storage fee of \$20 per day.
13. Images of the vehicle shall accompany this agreement. If no images are available, photographs must be taken upon the vehicle's arrival.

For many Museum patrons, the history of the vehicle is as important, if not more, than the specifications. We are working on improving our information placards at each vehicle as well as hoping to add some information about each car to our website. The more detail you can provide about the vehicle, the better, but please only fill out what you are sure is true to the best of your knowledge.
