Fellow Members and Friends of the Museum,  

2019 was a very exciting and busy year for our Museum. We are happy to have welcomed Mark Steigerwald as our new Executive Director! We've made improvements on the building climate control front with heating, cooling, and high volume, low speed fans in the Alhambra Event Center. We had some fantastic rotating exhibits, with the wonderful Great British Motoring Exhibit concluding and the Reel Cars just commencing. We had a multitude of great events both on and off site with our May Car Show, CruiseFest on Fulton Avenue, several speaking engagements, a couple of great movie screenings, and a bucket list experience in England for some of us at the Goodwood Revival.

As we look to what the coming year has in store, we will continue to drive forward with improvements to our facility in climate control and elsewhere. We will also pursue more fun and exciting events to ensure our Museum is *THE place people want to visit in Sacramento.

Thanks to the vast number of Volunteers and our dedicated staff that make this happen – your efforts and hard work are appreciated, and I look forward to continuing to work with you all to maintain and increase the success of our Museum.

— Jeff, Board President  

WELCOME FROM BOARD PRESIDENT JEFF SWAIN:
As a new year – and a new decade – dawns on the museum, we reflect on the prior year’s accomplishments, a continuation of our “legacy” programs and events that have kept our doors open and our public engaged, while exploring new or revitalized opportunities. For example: Last year we augmented the success of another bustling rollout of CruiseFest (in conjunction with our partner the Fulton Avenue Association) with a screening of the popular film “Ford vs. Ferrari” – in IMAX no less – to a sold out crowd.

Other highlights from 2019:

• Participation in Sacramento’s Wide Open Walls in 2019 has continued to draw attention, from tourists looking for a photo op to a film production crew looking for a backdrop for a TV commercial.

• An Evening with Tom Matano brought dozens of Miatas from every generation to the museum; packing the Alhambra Event Center for an engaging presentation.

• In-demand, local author A.J. Baime spoke at the museum about his book Go like Hell, the inspiration for the Academy Award-winning movie “Ford vs. Ferrari”.

In 2020 we will of course continue with successful visibility-enhancing programs such as Sunday Drives while ramping up our prominence through additional outreach events, more engaging speakers and, back by popular demand, more IMAX movie screenings. Keep an eye on our website and social media for updates throughout the year.

None of this would be possible without the tireless support of the museums docents, volunteers and members, and the synergy that exists among those that wear many hats. We thank our many members for continuing to support the museum and welcome new members as we work to create an engaging, satisfying museum experience for all.

—Mark Steigerwald, Executive Director
