

December 2025

Help Drive our Mission Forward into the New Year! 🚗

Season's Greetings!

They say you can tell a lot about a person by what they drive. If that's true, then our museum's collection must say we're fascinating, quirky, and occasionally a little high-maintenance (Much like the cars themselves!). **Thank you** for being a part of our journey here at the California Automobile Museum!

As we approach the end of another incredible year, we're reflecting on all we've accomplished together – from welcoming thousands of visitors and students to showcasing new exhibits that celebrate the innovation, artistry, and freedom embodied in the automobile.

Your support makes it all possible. Every donation – large or small – helps us preserve historic vehicles, inspire future generations of car enthusiasts, and keep the museum's programs running strong.

This year, your contribution will directly support:

- **Restoration projects** that keep our collection road-ready and authentic.
- **Educational programs** that bring automotive history to life for students and families.
- **Community events** that connect people through the joy of the automobile.

2200 Front St, Sacramento, CA 95818 | 916.442.6802 | www.CalAutoMuseum.org

As we look ahead to 2026, we're gearing up for even more exciting exhibitions, renovations, and outreach efforts – but we can't do it without you.

Please consider making a **tax-deductible year-end gift** today to help keep our engines running and our stories rolling. We've enclosed a return envelope and a scannable QR code for your convenience, or you can donate online at www.calautomuseum.org/support.

From all of us at the California Automobile Museum, thank you for fueling our passion for preserving automotive history. We can't wait to hit the road with you again in the new year!

Wishing you horsepower, holiday cheer, and just the right amount of torque,

Karen McClafin
Executive Director
California Automobile Museum

Scan here to donate!

P.S. Studies show that donating to a charity important to you boosts your happiness and provides a deep sense of fulfillment. So by making a donation to CAM, you will find your life improved, your mood brightened, your credit score raised, and your cholesterol lowered (Not sure about the last 2, but the first 2, definitely!).

Here's a look back on more of what you supported in 2025 and can help us continue for 2026:
